Kimberly-Clark PROFESSIONAL™

Scott® Control™ Rolled Hand Towel System

Hand drying for hygiene critical environments

Scott® Brand Control

Designed for hygiene and efficiency

Gentle towels designed for frequent use in hygiene critical environments - maintaining good hand hygiene without irritating skin

The most hygienic dispenser versus the competition – one wipe clean with no dirt traps[1]

Airflex™ Technology for faster absorbency ensuring more hygienic hand drying

Scott® Brand embossing increases preference by more than 40%[3] driving hand hygiene compliance

High capacity system requiring fewer refills so less chance for cross contamination

300m roll, 1200 sheets = 87% more than competitor equivalent, and more than twice the average folded system

65% more hand dries than equivalent systems[2] meaning less refills & time savings for cleaning teams

A sustainable choice: Produced from 100% recycled fibre, and with compression technology providing an 18% reduction in storage and transportation

Easy refill dispenser with stub roll feature for a continuous rolled towel supply

Controlled one-sheet dispensing system for increased efficiency and reduced waste
