

Scott® Control™ Foam Hand Cleanser System

For hand hygiene in
critical environments

UNLOCK THE POTENTIAL OF YOUR WASHROOM

KCP 6948

KIMBERLY-CLARK PROFESSIONAL

Designed for hygiene and efficiency

Foam format delivering twice as many washes per litre than conventional liquid soaps

Gentle – designed for frequent use – maintaining good hand hygiene without irritating skin

Colour free and fragrance free

Antibacterial and dermatologically tested (6348)

The most hygienic dispenser versus the competition – one wipe clean with no dirt traps¹

High capacity system delivering 2500 shots, requiring fewer refills so less chance for cross contamination

Controlled dispensing for increased efficiency and reduced waste

Quick and easy cassette replacement

Integrated pump – new clean nozzle with each refill ensuring maximum hygiene

A sustainable choice: Fully recyclable cassette. Foam formula rinses off quicker than traditional soap resulting in up to 50% less water usage

1. Results of swab test study conducted by MGS Laboratories January 2017.
